2. Application: shopping malls, shops, museum, gallery, restaurant etc.

Specifications

Model number	Power	Size	Luminous flux	Ra	In put	PF	Driver
AT-SD001-30W	30W	80x180mm	3000lm	80	85-265V	0.5	non-isolated driver

Installation

Please adjust the illumination angle of the lamp when it is not powered on.

Please be careful when adjusting the angle. When the lamp head is adjusted to the stop, do not continue to rotate in the same direction.

Install the track connector into the track, and rotate the track head to snap over the snap point. Make sure the conductors are fully contacted.
